Subject: Request for SVMCM Scholarship Renewal

Dear Directorate of Technical Education Sir,

I sincerely apologize for not renewing my SVMCM Scholarship last year as I was unaware of the manual renewal process. Uncertain about which marksheet to submit, I have attached all of them.

Moreover, my father's recent retirement has left us financially strained, and without this scholarship, continuing my education becomes an immense challenge. Your Understanding and co-ordination means the world to me. Thank You.

Best regards,

Pijush Mondal
